

ACKNOWLEDGMENTS

Praise be to Allah, the Almighty. I can complete this Final Project well as one of the final requirements to obtain a Bachelor's degree because of the blessings and enthusiasm of providing motivation, input and direction.

I am personally very grateful to Mr. Fitri Alfarisy, S.Pd., M.Hum. Thanks for all the support, guidance, and warmth in writing this Final Project. I want to thank all Bachelor of Applied Foreign Languages Program lecturers who taught me valuable knowledge during my studies.

Moreover, all staff of the departments and Faculty have helped me in the lecture process. This final project can be a good reference for the readers. There are still many shortcomings in this research report, so criticism, ideas, and suggestions will be greatly appreciated.
