1.	17 <sup>th</sup> April 2025	Introduction of the Background, the Research Questions, the Objectives of the Study, and the Data Collection	The Background should clearly introduce the research problem. Add 1 Research Question about the factors influencing self-identity. Sort the Data Collection according to each representation of self-identity and the transitivity type of process.	
2.	23 <sup>th</sup> April 2025	Title Revision, Review of Chapters 1, 2, and 3	Title revised to be shorter and more focused. Chapter 1 needs to combine overlapping research questions 1 and 2. In chapter 2, explain the adaptation theory of Gerot & Wignell and find the Self-Identity theory. Add the context of Data analysis in chapter 3.	
3.	6 <sup>th</sup> May 2025	Review of Chapters 1, 2, and 3	In chapter 1, the Previous Study should be grouped into two main focuses, and the Significance of the Study is still missing.	

			In chapter 2, add the Observation method in the Method of Collecting Data and the Distributional method in the Method of Analyzing Data. Chapter 3 adds the table of percentages from the data analysis of transitivity type of processes in each representation of self-identity.	
4.	14 <sup>th</sup> May 2025	Review of Chapters 1, 2, and 3	Restructure chapter 3, the Result and Discussion need structural improvement. Continue to prepare the Abstract and other sections of the thesis, and then submit the printed revision for the next consultation.	
5.	16 <sup>th</sup> May 2025	Submission of the printed revision for the thesis	The submitted revision will be reviewed and discussed at the following consultation session.	
6.	19 <sup>th</sup> May 2025	The full thesis was submitted for review and Thesis Approval.	The Abstract should begin with the background of the study. References and grammar errors should be rechecked.
