

FOREWORD

The author offers heartfelt thanks to Allah SWT, for through His grace and blessings, the author was able to write and successfully complete this thesis titled “The Effect of Dividend Policy and Capital Structure on ESG Disclosure Moderated by Corporate Life Cycle” without any major difficulties. This thesis was prepared to fulfill one of the requirements for completing the Bachelor’s Degree (S1) program at the Faculty of Economics and Business, Diponegoro University.

The author realizes that this thesis could not have been written without the assistance, advice, and unwavering encouragement provided by various parties. Therefore, on this occasion, the author would like to express gratitude to:

1. The author’s parents, who have consistently provided support, love, unceasing prayers, and encouragement all of which have been the author’s greatest source of strength in completing this thesis.
2. Prof. Faisal, S.E., M.Si., Ph.D., Dean of the Faculty of Economics and Business at Diponegoro University, who has led and provided a conducive academic environment for all students.
3. Prof. Dr. Harjum Muharam, S.E., M.E., as the Vice Dean for Academic and Student Affairs at the Faculty of Economics and Business, Diponegoro University, who has provided support in academic and student development.
4. Dr. Wahyu Meiranto, S.E., M.Si., Akt., as Vice Dean for Resources at the Faculty of Economics and Business, Diponegoro University, and as Academic
