

## CHAPTER IV

### DISCUSSION

#### 4.1. Intrinsic Elements

The writer analyzes five intrinsic aspects of the narrative elements from “Stranger Things” Season 1 & 3. The five aspects are character and characterization, setting, conflict, theme, and plot.

##### 4.1.1. Character and Characterizations

###### A. Steve Harrington

**Picture 4.1. Steve Harrington**  
(Stranger Things, Season 3, 2019).

The picture **4.1** is taken using medium close up shot to show the 18 year old Steve Harrington in Stranger Things. Medium Close up is used to show the overall detail of his face features because this is a new face from him in season 3. Steve Harrington is another main character in Stranger Things and the subject of this study. This scene shows a more expressive and communicative side of him. Steve Harrington’s character in season 1 portrayed a famous high school student who values dominance and social
