

## TABLE OF CONTENTS

|                                                                                                                  |      |
|------------------------------------------------------------------------------------------------------------------|------|
| THESIS APPROVAL .....                                                                                            | ii   |
| DECLARATION OF EXAMINATION COMPLETION .....                                                                      | iii  |
| ORIGINALITY STATEMENT .....                                                                                      | iv   |
| MOTTO .....                                                                                                      | v    |
| <i>ABSTRACT</i> .....                                                                                            | vi   |
| <i>ABSTRAKSI</i> .....                                                                                           | vii  |
| ACKNOWLEDGMENT .....                                                                                             | viii |
| TABLE OF CONTENTS .....                                                                                          | xii  |
| LIST OF TABLES .....                                                                                             | xv   |
| LIST OF FIGURES .....                                                                                            | xvi  |
| CHAPTER 1 .....                                                                                                  | 1    |
| 1.1 Background .....                                                                                             | 1    |
| 1.2 Research Problem .....                                                                                       | 16   |
| 1.3 Research Objective .....                                                                                     | 16   |
| 1.4 Research Contribution .....                                                                                  | 17   |
| 1.5 Research Systematic .....                                                                                    | 18   |
| CHAPTER II .....                                                                                                 | 19   |
| 2.1 Theoretical Background .....                                                                                 | 19   |
| 2.1.1 Gender Role Theory .....                                                                                   | 19   |
| 2.1.2 Work-Life Balance .....                                                                                    | 20   |
| 2.1.3 Work from Home .....                                                                                       | 22   |
| 2.2 Hypothesis Development .....                                                                                 | 26   |
| 2.2.1 Work from Home and Work Life Balance .....                                                                 | 26   |
| 2.2.2 The Moderating Effects of Gender in the Relationship between Work<br>from Home and Work Life Balance ..... | 32   |
| 2.3 Research Framework .....                                                                                     | 43   |
| CHAPTER III .....                                                                                                | 44   |
| 3.1 Research Variables and Operational Definitions of Variables .....                                            | 44   |

|                                                                          |    |
|--------------------------------------------------------------------------|----|
| 3.1.1 Research Variables .....                                           | 44 |
| 3.2 Variable Operational Definition.....                                 | 45 |
| 3.3 Research Limitations .....                                           | 48 |
| 3.4 Population and Sample.....                                           | 48 |
| 3.4.1 Research Population .....                                          | 48 |
| 3.4.2 Sample Size.....                                                   | 49 |
| 3.5 Data Types and Sources .....                                         | 50 |
| 3.5.1 Data Types .....                                                   | 50 |
| 3.6 Method of Collecting Data .....                                      | 51 |
| 3.6.1 Observation.....                                                   | 51 |
| 3.6.2 Questionnaire .....                                                | 51 |
| 3.7 Instrument Testing Techniques .....                                  | 51 |
| 3.7.1 Validity Test .....                                                | 51 |
| 3.7.2 Reliability Test.....                                              | 52 |
| 3.8 Data Analysis Technique.....                                         | 53 |
| 3.8.1 Descriptive Statistical Analysis .....                             | 53 |
| 3.8.2 Moderated Regression Analysis (MRA).....                           | 54 |
| CHAPTER IV .....                                                         | 56 |
| 4.1 Description of Research Object.....                                  | 56 |
| 4.1.1 General Classification of Respondents by Gender .....              | 57 |
| 4.1.2 General Classification of Respondents by Age .....                 | 57 |
| 4.1.3 General Classification of Respondents by Length of Employment..... | 58 |
| 4.1.4 General Classification of Respondents by Last Education .....      | 58 |
| 4.1.5 General Classification of Respondents by amount of Family Member   | 59 |
| 4.2 Validity and Reliability .....                                       | 59 |
| 4.2.1 Validity Test .....                                                | 59 |
| 4.2.2 Reliability Test.....                                              | 61 |
| 4.3 Descriptive Statistics Analysis .....                                | 61 |
| 4.3.1 Work from Home Variable.....                                       | 62 |
| 4.3.2 Work Life Balance.....                                             | 63 |
| 4.4 Hypothesis Testing .....                                             | 64 |

|                                                                                                   |    |
|---------------------------------------------------------------------------------------------------|----|
| 4.4.1 First Hypothesis .....                                                                      | 64 |
| 4.4.2 Second Hypothesis.....                                                                      | 65 |
| 4.5 Discussion .....                                                                              | 68 |
| 4.5.1 The Relationship between Work from Home and Work Life Balance. 68                           |    |
| 4.5.2 Gender Influences on the Relationship between Work from Home and<br>Work life Balance ..... | 69 |
| CHAPTER V.....                                                                                    | 72 |
| 5.1 Conclusion.....                                                                               | 72 |
| 5.2 Theoretical Implications.....                                                                 | 73 |
| 5.3 Managerial Implications.....                                                                  | 74 |
| 5.4 Limitations.....                                                                              | 77 |
| 5.5 Future Research .....                                                                         | 77 |
| REFERENCES.....                                                                                   | 78 |
