ACKNOWLEDGMENT

All praise and gratitude be to Allah SWT, the Almighty, for the boundless blessings and mercy, which have granted me the strength and perseverance to complete this research thesis. This section is dedicated to deliver my sincere gratitude to all those who have supported me throughout the process of writing this research thesis. My appreciation for them is more than words can describe.

My sincere gratitude is extended to my advisor, Ariya Jati, S.S., M.A., for his guidance, patience, and valuable insights throughout the completion of this research. His constructive feedback and continuous support have significantly contributed to the successful completion of this thesis.

I would also like to express my appreciation to these following people:

1. Prof. Dr. Alamsyah, S.S., M.Hum., as the Dean of the Faculty of Humanities, Diponegoro University;
2. Dr. Drs. Oktiva Herry Chandra, M.Hum., as the former Head of the English Department of the Faculty of Humanities, Diponegoro University and Dr. Retno Wulandari S.S., M.A., as the new Head of the English Department of the Faculty of Humanities, Diponegoro University;
3. All lecturers of the English Department of Diponegoro University, whose dedication to education has provided me with indispensable knowledge and wisdom that I will carry forward;
4. My beloved parents, Supriyadi and Sri Sugiyarti, for their full support, unconditional love, constant prayers, and the sacrifices they have made to support my education. Thank you for always caring for me and encouraging

me to finish my studies;

5. My siblings, Lidya Ariella Hani dan Albi Luthfi Fachry, for their constant support and for being my motivation to always move forward in life;
6. My uncle and aunt, Dwiyono and Erna, who have been there for me through my sickness;
7. My dear college friends, Nilawaty Simanjuntak, Eka Putri Lestari, and Natasha Astrid, who have been with me since the first semester until the completion of this academic journey. Their constant support, reliability, and willingness to help in both joyful and challenging times have been truly invaluable;
8. My English Department friends, Anput, Fauzan, Fania, Syipit, and Yosefine who have been great companions of mine;
9. My junior high school friends in the "SZIXTAH" group: Azizia, Pramesti, Loni, Desi, and Cintya. I am grateful for their willingness to listen to my story and concerns and for remaining a consistent presence in my life despite the distance between us;
10. Anindya Hanifah Qurataa'yun, my unique and funny friend I met during the KKN program, whose humor and support bolstered my confidence and provided feedback during moments of uncertainty;
11. Seventeen (S.Coups, Jeonghan, Joshua, Jun, Hoshi, Wonwoo, Woozi, DK, Mingyu, The8, Seungkwan, Vernon, and Dino). As my favorite K-pop idols, their music and hard work have served as a significant source of inspiration and morale throughout the writing process;

12. Meen Nichakoon, Book Kasidet, Phuwin Tangsakyuen, Pond Naravit, and Tontawan Tantivejakul, whose creative works provided much-needed motivation and encouragement while I was writing;
13. Finally, I would like to acknowledge my own efforts, perseverance, and determination throughout the process of completing this thesis.

I acknowledge that this research thesis is far from being perfect and it still contains various limitations. This research thesis certainly has many weaknesses and needs improvement. Therefore, any constructive feedback and advice to improve this research thesis will be appreciated to make this research thesis better. I hope this research thesis could be insightful for those who interested in this topic.
