ACKNOWLEDGMENT

Praise be to Allah SWT, the One and Only God, for all the great blessings and mercy. Because of His grace, the writer was able to finish this research thesis. In this section, the writer would like to express sincere gratitude to everyone who gave support during the writing of this thesis. The appreciation for them is more than words can say, so the writer would like to say the deepest thanks to:

1. Mr. Ariya Jati, S.S., M.A., as my thesis advisor, for helping and guiding me with his advice regarding this research thesis to be completed.
2. Prof. Dr. Alamsyah, S.S., M.Hum., as the Dean of the Faculty of Humanities, Diponegoro University.
3. Dr. Drs. Oktiva Herry Chandra, M.Hum., as the Head of the English Department of the Faculty of Humanities, Diponegoro University.
4. All lecturers of the English Department, Diponegoro University, whose valuable knowledge and guidance will always be remembered.
5. Beloved parents, Mr. Darminto and Mrs. Parti. Thank you for every sincere prayer and endless support, for the love and care, and for all the sacrifices you have made so that the writer could finish this thesis and earn a bachelor's degree. Thank you for bringing the writer to this point in life.
6. All my beloved family members, my grandparents, uncles, and aunts, who have always given prayers, support, and sincere love to the writer.
7. Diana Angelina and Nilawaty Simanjuntak. Thank you for the discussions, help, and support, and for always being there with a sincere heart until the very end. Thank you for being someone to share with during the hard times

while working on this thesis.

8. Rahma, Indah, Denisa Amelia, Nathania, Luthfi, and Nahar. Thank you for being great friends to struggle together with, to share complaints and stories, and for giving advice and motivation along the way.
9. KKN Prapag Lor friends. Thank you for giving support, motivation, and help to the writer throughout this journey.
10. Favorite bands and artists, which are One Direction, Juicy Luicy, Hindia, HiVi, Yovie & Nuno, Taylor Swift, Sombr, Rex Orange County, Ed Sheeran, Bruno Mars, and Justin Bieber, whose songs have always kept the writer company during late nights and gave energy while working on this thesis.
11. Favorite K-Pop group ENHYPEN, whose members are Jungwon, Heeseung, Jay, Jake, Sunghoon, Sunoo, and Ni-ki. Thank you for always bringing joy and entertainment whenever the writer felt tired from working on this thesis.
12. Five wonderful people, Dunk, Phuwin, William, Joong, and Est, who gave the writer strength and motivation while writing this thesis.
13. The writer would also like to thank someone who was once a part of the writer's life. Even though we are no longer together, that person's presence once brought color, lessons, and happiness which helped make the writer stronger. We went through many things together, and without the writer realizing it, those experiences helped build the determination to finish this thesis.
14. Last but not least, the writer would like to thank myself. Thank you for doing all of this hard work, never giving up, and being responsible for finishing

what was already started.

I realize that this research thesis is still far from perfect. Therefore, any constructive criticism and suggestions for improvement are highly appreciated. I hope that this research thesis will be beneficial and provide insight for readers who are interested in this topic.
