ACKNOWLEDGEMENT

I humbly declare my deepest gratitude to my Lord, Jesus Christ, for His boundless blessings, through which I was able to complete this thesis. This section is dedicated to expressing my sincere gratitude to all those who have supported me. I hope that this acknowledgment may, in some way, reflect the depth of my appreciation for their invaluable help and support.

The deepest appreciation and gratitude are extended to Dr. Retno Wulandari, S.S., M.A. as my thesis advisor who has spared her valuable time to patiently give her constructive suggestions and continuous guidance without which I would be doubtful to accomplish this thesis successfully.

My greatest thank also goes to the following:

1. Prof. Dr. Alamsyah, S.S., M. Hum., as the Dean of the Faculty of Humanities, Diponegoro University.
2. Dr. Oktiva Herry Chandra, M.Hum, as the Head of Department of the English Department, Faculty of Humanities, Diponegoro University.
3. All lecturers of the English Department, who have shared valuable knowledge and advice so that I could be someone better year by year.
4. My hardworking father and mother, who have devoted their time to motivating me, enabled me to become the first in my family to earn a bachelor's degree.

5. Myself, Petricia Putri Marringy, who made this possible through tears, struggles, and joy. You did wonderfully.
6. My beloved and dependable significant other, Albertus Hendy Christian, who has devoted our years together to support me and help me rise through both joyful and difficult times.
7. My loving grandmothers, who have dedicated their lives to caring for me, cooking delicious dishes for me, and teaching me to be a good daughter of God.
8. My compassionate best friends, Bulan, Selda, and Nisa, who have embraced me as a part of their lives and lifted me up whenever I felt blue.
9. Redaksi LPM Hayamwuruk, who has been my supportive partner in growing, healing, and learning whose presence and encouragement I truly cherish.

I am certain that this thesis is still far from perfect; therefore, any recommendations and constructive suggestions will always be welcomed and appreciated. Finally, I hope that this work may be useful for those who wish to learn about related fields in general.
