ACKNOWLEDGEMENT

First of all, all praise and gratitude to Allah SWT for His grace and guidance, which made the successful completion of this work possible. Without His help and will, the entire process of creating this work would not have gone smoothly.

My greatest thank also goes to the following:

1. To Ms. Zietha Arlamanda Asri, S.Hum., M.A., thank you very much for helping me in the process of writing this thesis. Thank you for guiding me patiently and also providing some new knowledge that I did not know before. I am very happy and feel fortunate to have had the opportunity to be guided by you.
2. To my dearest parents, Alm. Yustinus Riswantono and Nenah Nurhayati, thank you so much for your dedication and all your efforts in fulfilling my education until I obtained my bachelor's degree. Thank you for continuing to believe in your daughter, even though I still have many shortcomings. Thank you for all the support and countless prayers you have said. To my dear father, may you sleep peacefully in the best place by Allah's side and may all your mistakes be forgiven. To my mother, please always be healthy and live long. I love you forever, Mom and Dad.
3. To my one and only little brother, Rafi Haris Putra, thank you for always supporting me all this time. I am not as smart as you, but I hope that now I can be a sister you can be proud of!

4. To my lovely *Kieu* girls, Alya, Aca, Kila, Puyi, and Karin, thank you so much for accompanying me during my studies since the first day until now and hopefully forever. Thank you for always believing in me and supporting me no matter what. I am not a perfect friend for you guys, but I hope we can be friends for longer. I cherish you girls!
5. To my dearest boyfriend, Chandra Kusuma Aji, thank you so much for accompanying me since the beginning of writing this thesis. Thank you for all your support and always believing in me in every situation. Thank you for all your prayers for me all this time. I feel very happy and lucky to have such a supportive partner like you. I hope we can stay together as long as possible. Let's pursue our dreams together!
6. To the *Anak Bunda* boys, Argya, Damar, Fatah, Gumelar, Norman, and Runa, thank you for being friends with me and the others. We have not known each other since day one, but I hope we can stay friends for long time. Thank you for creating such a fun and hilarious time.
7. To my *Fams* girls, Annisa, Ghariza, Indri, Intan, Maulia, and Naylul, my high school friends who continue to support and pray for me. I hope we can become more successful people in the future. I hope we remain friends in the future.
8. To DAY6, the Korean band whose songs have been my favorites since I graduated from high school. Thank you for creating such memorable songs that

accompanied me all this time, especially during my difficult times alone. It means so much to me. Thank you!

9. To *Haikyuu!*, one of the most colorful and vibrant anime series, this anime especially those characters has taught me to never give up, told that the failure is normal and does not mean I have lost everything. Thank you!
10. To myself, thank you for being a strong woman. Thank you for persevering and getting through it all. Thank you for all the effort you have given yourself. I hope you will be a stronger woman in the future and be a more successful person than you are today! Cheers!
