MOTTO AND DEDICATION

“Allah does not burden a soul beyond that it can bear.”

(Q.S. Al-Baqarah: 286)

Forces beyond your control can take away everything you possess except one thing, your freedom to choose how you will respond to the situation.

ACKNOWLEDGEMENT

All praise is due to Allah SWT for His endless blessings and mercy, without which this thesis would not have been completed. This section is dedicated to expressing sincere gratitude to all those who have contributed to the completion of this thesis.

The writer would like to express the deepest gratitude and appreciation to Drs. Jumino, M.Lib., M.Hum., as the thesis advisor, for his continuous guidance, moral support, and thoughtful suggestions. Without his support, the completion of this thesis would have been difficult to achieve. Greatest thanks also go to the following;

1. Prof. Alamsyah, S.S., M.Hum., as the Dean of Faculty of Humanities, Diponegoro University.
2. Dr. Drs. Oktiva Herry Chandra, M. Hum., as the Head of the English Department of the Faculty of Humanities, Diponegoro University.
3. All lecturers of the English Department, Diponegoro University, for their dedication in imparting knowledge and for the guidance.
4. The administrative staff of the Faculty of Humanities, Diponegoro University, for their assistance and kindness throughout the writer's study.
5. My parents, the biggest support for the writer to finish education. Thank you for always doing your best and for everything you have done for the writer.

6. Beloved siblings, Aldino Antonio Yugo Saputra and Chelsa Azalea Myesha.
May you both grow well, be surrounded by happiness, and always love and care for each other.
7. To someone who never left. The writer would like to express sincere gratitude to you for being there throughout the journey of completing this thesis. Your support, encouragement, and patience gave the writer the strength to go through every challenge and reach this point. Thank you for always believing in the writer, especially during moments when the writer struggled to believe in herself.
8. To the person with student number 12020124140149, thank you for becoming part of a moment the writer never expected to mean so much. Even though we pray in different ways, the writer is grateful for everything we tried to hold on to. If life gives us another chance, the writer hopes we meet again at a time when our differences no longer ask us to let each other go.
9. Elsa, Nahar, Gesit, and all classmates of Class A, thank you for going through this journey together for the past four years.
10. KKN friends, Khilla, Salsa, Fitri, Iqlima, and Ika, thank you for the warmth and comfort you have given to the writer.
11. The writer's high school friends, Vio, Nanda, Ais, Lutfi, Yoga, and Brian, thank you for your support and motivation that encouraged the writer to complete this thesis. May our friendship last forever.

The writer realizes that this thesis is not perfect yet and would sincerely appreciate any suggestions and constructive feedback. The writer hopes that this thesis will be useful for anyone interested in the topic or related fields.
