My sincere gratitude also goes to the following people who have played an important role in my life:

1. Prof. Dr. Alamsyah S.S., M.Hum., as the Dean of the Faculty of Humanities, Diponegoro University.

4. To my beloved Ayah and Mama, thank you for your prayers and huge support to me every single day, which enabled me to complete my studies.

I would be nothing without them in my life, as they have given me everything since I was still in my mother's womb until this very moment. May Allah SWT always bless both of you with health and countless blessings. I would also like to express my love to my younger siblings, Siti

Mulia Fadlilah, Muhammad Bintang Habibie, and Azzam Al-Khalifi. May you always be surrounded by good fortune in your lives. If there is any goodness in your older brother that is worth imitating, then follow it. However, if there are shortcomings or mistakes, do not imitate them.

5. To Senja Alifia Pinandita, my deepest gratitude for being someone who never tired of supporting and encouraging me, even when the challenges ahead felt as huge as mountains. Your patience has taught me that I must strive to become a better person and never fear whatever obstacles may come. Being with you has made me stronger. The moments we spent together in Tembalang will always remain beautiful memories. May we both achieve success in our lives after campus.
6. To my dear friends from KOST KADS, my beloved Tembalang's older brothers, Rifqi Novandi, Fakhri Akmal, and Bryantama Wahab. My college years would not have been the same without you all. Spending endless time together in Tembalang has become one of my great memories, and Burjo Sara stands as a witness to our friendship. Wishing all the best and continued success for all of you.
7. To my dear friends in Tembalang, Bang Oti and its funny members: Reyhan, Daffa, Naufal, Randi, Rendy, Roja, Nathaniel, Nanta, Laksmiana, and Pandu, who have been a source of happiness for my studies since the very first semester. May we meet again in the future as the best versions of ourselves.

8. To my dear friends from Bekasi, GAOT (Awangga Surya Atmaja, Muammar Fawwazi, Ramadhandy Memanasti, and Taqi Rachman Aditama). You are not only childhood friends, but truly my best friends. I wish nothing but the very best for all of you. May this friendship last until we grow old together.
9. To my dear friend Muhammad Hisyam and also DOKOMVILA, namely Zaki Marsyandi, Efwan Giolucerdi, Nabil Irfan, and Farrel Khaliesah. Returning to Bekasi never feels complete without meeting all of you. Our dream of entering great universities has finally come true, so let us keep striving for our next dreams as well.
10. To my dear friends from high school until now, Villa Geng: Bagas, Angga, Jason, Karina, Fayrishia, Aughes, and Keasa. You all are always amazing. May you all be blessed with long lives so we can continue spending time together and creating more memories.

To my dear friends from the English Department, Anggi, SA Unicorn (Sarah, Nindy, Sahl, Hanila, Lovina, Ale, Osa, Ihya, Ney, Adel, and Grace), all my classmates from Class D whose names I cannot mention one by one, my thesis supervision friends (Bintang, Fadel, Roja, Bayu, Tommy, and Iqbal), as well as Incen and Oti Yuk. Your presence has meant so much to me. Please continue being your wonderful selves, and I wish you endless success.
12. To my friends from EDSA Undip 2024, as well as all the incredible people I had the chance to work with in various committees within the English
