	grade. And I'm probably at least thirteen in responsibility years!"

7.	Alex: "But it makes no sense. He brought you daisies! Why was he so mad and yelling at everyone and why would he try to hurt Nathan when you guys were just talking, and why did YOU hit HIM? Violence isn't the answer to anything."	Direct

Why can't you guys just tell me the truth! And then Terra frowned again and she STILL wouldn't talk about it.	Indirect
16.	I don't know why everyone is being such a bleep.	Indirect

17.	Alex: “What do you mean when she’s herself? She’s not NOT herself, she just has her schizophrenia problem, and if we bring her all her stuff we can help her get better.”	Direct
18.	Alex: “That’s because you never tell me the whole story! Why don’t you ever want to talk about our dad? Mom always said he was a good man at heart. She said he loved us very much and—”	Direct
19.	Alex: “That’s not true—”	Direct
20.	Alex: “So the earth is dying because of things that we did, right? Things that humans did. And we KEEP hurting it, and the forests are disappearing and the oceans are rising and animals are going extinct, so maybe that’s why we have to colonize Mars. We have to leave Earth so Earth can get better again.”	Direct
21.	Alex: “Because I was waiting for YOU to tell me. I’m NOT a little kid anymore, Ronnie. I’m not in elementary school anymore and it’s not like when we still slept in the same room, and I know that the truth is uncomfortable but if I’m only happy all the time then it’s not bravery!”	Direct

22.	I said, But what about your condo? and Ronnie said it's not his, he can't afford a condo on a junior agent's salary so he's just renting it, and it's only a single room in the back of someone else's property and it doesn't even have its own kitchen. Then I said, But what about my school and Benji and my job for Mr. Bashir, and who's going to be president of the Rockview Planetary Society and why can't YOU just move back from LA and live at home? And then I started crying a little again.	Indirect
23.	And then I started wondering, What the heck is a dad anyway? I mean, if you're talking about a biological dad I had one, but what about a non-biological dad?	Indirect
