ABSTRACT

The study aims to analyze the mental disorder suffered by the main character in *Words on Bathroom Walls* (2020) movie directed by Thor Freudental. This movie is about a teenager named Adam who has a mental disorder called schizophrenia. The study focuses on the types of mental disorder and how Adam's symptoms affected the main character. In this study, it was discovered that the main character suffers from a mental disorder called schizophrenia. The theory that used is the psychological theory of Kraepelin to identify the type of schizophrenia and the theory of Cherry to identify the symptoms of schizophrenia experienced by Adam as the main character. The study uses a qualitative description method, which the first step to take is watching the movie. The study also uses library research to collect data from such sources as journals, articles, books, and the Internet. The results of this study indicate that there are two types of schizophrenia simplex and schizophrenia hebephrenic. Then, two of Adam's symptoms are positive and negative. The types and symptoms of schizophrenia that Adam experiences are linked to each other.

Keywords: *Words on Bathroom Walls*, mental disorder, schizophrenia.
