## Appendix 1: Song Lyrics

### “Serve the Servants” by Nirvana

Teenage angst has paid off well

Now I'm bored and old

Self-appointed judges judge

More than they have sold 1

If she floats then she is not

A witch like we've thought

A down payment on another

One at Salem's lot 2

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants

That legendary divorce is such a bore 3

As my bones grew they did hurt

They hurt really bad

I tried hard to have a father

But instead, I had a dad 4

I just want you to know that I

Don't hate you anymore

There is nothing I could say

That I haven't thought before 5

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants

That legendary divorce is such a bore 6

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants, oh no

Serve the servants

That legendary divorce is such a bore 7
