APPENDICES

The writer provides some more detailed monologue and dialogues from *Spectre* (2015) referred in the Discussion (Chapter 3) to offer more context for clarity.

APPENDIX 1

43:13 – 43:53

Franz Oberhauser : It's funny. All that excitement in Mexico City rang a distant bell. And now, suddenly, this evening, it makes perfect sense. Welcome, James. It's been a long time. But, finally, here we are. What took you so long?

APPENDIX 2

36:35 – 37:00

Lucia Sciarra : Leaving your number?

James Bond : I've called an American friend of mine. Felix. He'll contact his embassy and get you out of here. You'll be safe.

Lucia Sciarra : Don't go, James. If you go there, you're crossing over to a place where there is no mercy.

James Bond : I have to go.

APPENDIX 3

1:14:31 – 1:15:12

Madeleine Swann : Argh, don't touch me!

James Bond : Hey! You need to take a breath and calm down. You're in shock.

Madeleine Swann : Get away from me! Just get away! Did it cross your mind that you led them to me?

James Bond : I haven't got time for this. You need to tell me everything you know about L'Amricain.

Madeleine Swann : Go to hell!

James Bond : I gave your father my word!

Madeleine Swann : And why should I trust you? Because my father did?

James Bond : Because right now, Dr. Swann, I'm your best chance of staying alive.
