ABSTRACT

This study aims to create a new learning tool in the form of an interactive pop-up book, titled “Time Travelers: Uncovering Semarang History” . It is designed for elementary school students. The book presents historical sites in Semarang City in a way that is engaging, visually interactive and easy for children. The development process follows an adapted version of the eight stage Research & Development (R&D) model by Borg & Gall (1983). This includes collecting data and information, planning, development preliminary form of product, preliminary field testing, revision of the main product, operational field testing, final product revision, and dissemination and implementation. The design of the book focuses on child-friendly visual elements, such as illustrated character, color scheme that are consistent with historical objects, interactive 3D layouts, and easily understandable language. The book also features mini quizzes to encourage interaction and improve students retention of the material. Results from the trial phase involving 31 respondents, show that pop-up book is practical, interactive, and an effective tool for learning history. This book shows potential in enhancing student engagement with and comprehension of local cultural heritage through an enjoyable and interactive.

ABSTRACT

Penelitian ini bertujuan menciptakan sebuah media pelajaran dalam bentuk buku pop-up interaktif yang berjudul "*Time Travelers: Uncovering Semarang History*". Buku ini dirancang untuk anak sekolah dasar. Buku ini menyajikan beberapa tempat sejarah yang berada di Kota Semarang yang dikemas secara menarik, interaktif secara visual, dan mudah dipahami oleh anak - anak. Proses pengembangan buku ini menggunakan versi adaptasi dari delapan tahap Research & Development (R&D) oleh Borg & Gall (1983). Dengan ini meliputi pengumpulan data dan informasi, perencanaan, pengembangan bentuk awal produk, uji coba lapangan awal, revisi produk utama, uji coba lapangan operasional, revisi produk akhir, serta diseminasi dan implementasi. Perancangan buku ini fokus pada elemen visual yang ramah anak, seperti ilustrasi karakter, skema warna yang sesuai dengan objek sejarah, layout 3D yang interaktif dan juga bahasa yang mudah dimengerti. Buku ini dilengkapi dengan kuis mini untuk mendorong interaksi dan meningkatkan daya ingat siswa. Hasil dari tahap uji 31 responden menunjukkan bahwa buku pop-up in praktis, interaktif, dan efektif untuk belajar sejarah. Buku ini menunjukkan potensi dalam meningkatkan keterlibatan siswa dan pemahaman mereka terhadap warisan budaya lokal melalui cara yang interaktif dan menyenangkan.
