Dear Colleague,

I have just checked the status of your article after the double blind evaluation. I am glad to inform that both reports are positive giving us the authority to proceed. Your article can be published either in issue 4B coming in the web at the end of the month, or in issue 1 2018 in February.

Dear Prof. El. Thalassinos

I hope this email find you well. I am just wondering to know about the final version of my manuscript. I need it as evidence that my manuscript will be published this November. For your information, I have to report my research performance to my university by the end of this November, including the paper I publish on your journal.

Thank you for your kind attention.
