

## LIST OF CONTENTS

COVER PAGE.....	i
APPROVAL SHEET .....	ii
DECLARATION OF ORIGINALITY .....	iii
LEMBAR PENGESAHAN.....	iv
MOTTO.....	v
ACKNOWLEDGEMENT .....	vi
ABSTRACT.....	viii
ABSTRAK .....	ix
EXECUTIVE SUMMARY .....	xi
LIST OF CONTENTS .....	xiv
LIST OF TABLES .....	xvi
LIST OF FIGURES.....	xvii
CHAPTER I INTRODUCTION .....	1
1.1 Background.....	1
1.2 Problem Statement and Objectives of The Study .....	10
1.3 Contribution of the Study .....	14
1.4 Novelty of the Study.....	16
CHAPTER II LITERATURE REVIEW .....	18
2.1 Blue Economy, Blue Growth, and Blue Justice .....	19
2.2 Fisheries Production Theory.....	22
2.3 ICT For Development.....	25
2.4 Sustainability Livelihood Framework .....	29
2.5 V2V Concept .....	30
2.6 Change Curve Framework in the Explanation of the Socio-Economic Transition of Small-Scale Fisheries .....	32
2.7 VOSviewer .....	34
CHAPTER III RESEARCH METHODOLOGY.....	38
3.1 Research Design .....	40
3.2 Research Ethics.....	46
CHAPTER IV ANALYSIS OF RESEARCH FINDINGS .....	47
4.1 Socio-Economic Conditions of Small-Scale Fishers in Demak and Pati Regencies: A Blue Economy, Blue Growth, and Blue Justice Perspective.....	47
4.1.1 Blue Economy Activities in Pati and Demak .....	47
4.1.2 Profile of Capture Fisheries in Juwana and Morodemak .....	55
4.1.3 Infrastructure Access among Small-Scale Fishers in Pati and Demak.....	58
4.1.4 Characteristics of Fishers' Catch in Juwana.....	62
4.1.5 Characteristics of Fishers' in Demak.....	66
4.1.6 Initial Conditions of Small-Scale Fishers in Juwana and Demak .....	68
4.1.7 Assessing Blue Justice in Pati and Demak .....	69
4.2 Measuring the Productivity of Small-Scale Fishing Gear in Pati and Demak.....	76
4.2.1 Respondents Profile.....	76
4.2.2 Productivity of Small-Scale Fishers in Pati dan Demak (2020-2024).....	84
4.2.3 Bioeconomic Analysis in Pati.....	91
4.2.4 Bioeconomic Analysis in Demak.....	94
4.3 Adoption Of Information And Communication Technology (ICT) By Small-Scale Fishers In Pati And Demak .....	99

4.3.1 Evolution of ICT Utilization by Small-Scale Fishers.....	99
4.3.2 ICT used by small-scale fishers in Juwana and Morodemak .....	103
4.3.3 Fishers’s awareness in using ICT services .....	107
4.3.4 Adoption Level of ICT by Small-scale Fishers in Pati and Demak .....	109
4.3.5 ICT Adoption and Production Performance in Pati and Demak .....	115
4.3.6 Influence on ICT Utilization by Small-Scale Fishers in Pati and Demak.....	116
4.4 Dynamics of Interaction Between Fishers: A Spillover Knowledge Process in The Fisheries Community in Pati and Demak.....	118
4.4.1 Interaction Patterns Among Small-Scale Fisheries .....	118
4.4.2 Forms of Interaction in Fisheries Communities .....	122
4.4.3 Actor-Based Interaction Dynamics .....	125
4.4.4 Interaction Mechanism ICT Adoption.....	127
CHAPTER V DISCUSSION AND RESEARCH FINDINGS .....	133
5.1 The Transition From Vulnerability To Viability Among Small-Scale Fisher: The Influence Of ICT .....	133
5.1.1 Advantages and Challenges in ICT Utilization .....	133
5.1.2 Social and Economic Situation of Small Fishers .....	138
5.1.3 Transformation of ICT Used in the V2V Framework .....	140
5.1.4 The Role of Stakeholders in the Utilization of ICT in Small-Scale Fishers.....	143
5.1.5 ICT Utilization Strategy as one of the efforts of small-scale fishers to achieve Viability.....	148
CHAPTER VI CONCLUSION.....	150
6.1 Conclusion.....	150
6.2 Reflection of the Finding.....	151
6.3 Research Implications.....	153
6.4 Research Limitations .....	154
Bibliography.....	156
APPENDIX .....	169
