*I want to say thank you,  
to the few individuals in my life,  
whom have listened without judgement,  
and loved me without conditions.  
You are the angels sent by God,  
to enlighten this darken soul.*

## ACKNOWLEDGEMENTS

First and foremost, to God only I shall express the utmost gratitude. For His blessing has made this thesis completion, title: "**European Union's Data Protection in Cyberspace for Gender Minority**" as one of the prerequisites in completing the undergraduate program at the International Relations Department of Universitas Diponegoro.

This thesis is an embodiment of a long, continuous, and never-ending process of learning. Thus, with this I would like to extend my gratitude to several persons which without them life is surely to be harder than it already is:

1. To beloved parents, *Bunda Poppy* and *Ayah Achwan* for the endless support. For trusting me, even in my silence. For believing me, even in the darkest time. For letting me, be me. I hope there come times where I could sincerely give my whole soul to both of you, because hiding has never been easy. *Rara* for being the sister that, in the future, I hope could be the soulmate I am looking for. *Radit* for being himself, and teaching me how to be a strong brother at needed times;
2. To *Becek*, for teaching me that blood is not always thicker than water. That in the end even with everything that we have been through, and with everything that I am, all of you has shown an unconditional support. Thank you, for keeping me sane, even when I fell to the deepest pit and thinking there is no way out. I just could only hope, that our memories, the laughters, the tears, the secrets, and the love will never end even if we are thousand miles apart. To *Benji*, thank you for being the logic for my disturb mind, for lending me shoulder when I truly needed them, for the keeping me in the right path when I no longer see any roads. To *Giri*, thank you for being the one that brighten the mood even when the sun is nowhere to be seen, for being the one who say no when rejection is never my option, for being the joy that I know I could never find anywhere else. To *Fathin*, thank you for being the mother, sister, and partner; the all-in-one package, which I truly would never expected coming, for accepting me even if it is contrary to what you believe in, and thank you for taking care of me when I am sick, God knows what you've done. To *Francis*, thank you for being the strongest of us all, for being the easiest person to approach, for being the sister

that I could have only wished in my dream. To *Alipong*, thank you for being the kindest of us all, for being the first one to realize and accept me for who I am, for being the ally that I wish every person could have in their lifetime. All of you have been so important, that without you surviving is out of the option. Thank you;

3. To *Remy* thank you for existing. Every night I thank to the universe for make our path crossed. Thank you for being full of acceptance, full of love, and full of smiles, even when I know what you have been through would only tear everyone's mind and soul. Thank you for being the 9/11 even when we are miles apart, for keeping the sane of me, for stopping me from doing foolish things, and for believing that I am worth. To *Dwi* thank you for being the friend in times of need. For being the person that stays by my side even after knowing all the flaws that I have. For tirelessly be my companion when I am tired being a tough person. I hope you find your peace, your love, and your meaning in this world. Thank you *Ajeng* and *Dinda*, for the endless laughter, that I know I have always missed when I am in Semarang. Both of you deserve the world, and I hope you achieved what you want in life;
4. To *BPH Kabid HMHI 2018*, thank you for picking me up when I see myself as a failure, when I was at the lowest point in my life, and making me who I am today. *Satya*, thank you for trusting me with everything. *Felis*, thank you for showing me that joy exists in this world. *Duanda*, thank you for the journeys we have been through together, for making smile as an option when what I see is sorrow. *Risya*, thank you for being the moral and psychological support when I needed it, for constantly reminding me that I am loved. *Enno*, thank you for bringing happiness, laughters, and happiest memory. *Giri*, thank you for staying and bearing with me. *Khalda* thank you for being the sanest of everyone, the calmest mind, and the partner in the literal darkest situation that time. *Adinama*, thank you for accepting me, staying open minded with everything I am. *Yuda* thank you for keeping the mood alive. *Naufal*, thank you for being constant reminder that an individual could have achieved something if they really do try hard;

5. To Ms. Ika Riswanti Putranti, S.H., M.H., Ph.D, as thesis supervisor throughout the composing process of this research. Thank you for transferring knowledge that I have never knew needed; Mrs. Shary Charlotte H.P., SIP., MA. as thesis defense examiner and thesis proposal supervisor; Mrs. Dra. Rr. Hermini Susiatingsih, M.Si. as thesis defense examiner; Mr. Andi A. Basith as guidance lecturer; Mrs. Nadia Farabi as the lecturer that I aspire to be; and all honorable lecturers whom I had the pleasure learning from: *Pak Tri, Bu Reni, Mas Satya, Mas Fendy, Mas Marten*;
6. To all my accepting friends from International Relations Department Universitas Diponegoro, Haikal, Adam, Alvin, Farah, Emil, Salma, Claudya, Gladys, Dio, Gerald, Giorgio, Wira, Ang, Junita, Amanda, Rahayu, Tito, Wirya, Alda, Kevin Rafif, Hasna, Benita, Tirsa, Kiki, Gaffar, Ipung, Pungki, Naomi, Aya, Vicki, Misgi, Anto, Donata, Victor, Aichel, Dwita, Oddie, Syifa, Joel, Dayu, and others for the support and acceptance.
7. To *Maila*, for believing in me, giving me perpetual support, and accepting me for who I am. For being the older sister I have never had. For showing how to be strong, brave, and powerful. For giving me new family. To *ACES*, thank you for teaching how it is never easy being a parent. For showing me that dedication and hardwork will finally be paid off. For giving me the experience I will forever keep in my heart and mind. To *Alex* thank you for agreeing to be the newest member of the family, I hope you find joy and happiness in your new little cubicle.
8. Others, that if I name all of them the tint and trees on this earth will not be sufficient. Thank you.

## **ABSTRACT**

The purpose of this study is to determine the actions taken by European Union to secure gender minority sensitive data in cyberspace. In this research there will be analyses of 29 European Union member states institution responsible in collecting discrimination data towards gender minority individuals. This research uses the concept of human security, to be specific citizen personal security introduced by Costa Rican Human Development Report. So, based on this, the results of this research show that European Union using data protection as a form of securitability resulting in 8 principals which needs to be comply in order to consider the process and use of gender minority data lawful, and finds that 22 corresponding institutions in European Union member states have applied securitability, 2 corresponding institutions have weak securitability, and 3 corresponding institutions have no securitability at all.

Keywords: European Union, Gender Minority, Sensitive Data, Human Security, Citizen Personal Security
